Review of School Uniform for September 2010

Dear Parents/Carers

I am writing to invite you to take part in an important consultation about our school uniform. We value very highly the contribution that parents make to consultations of this sort, and encourage you to take up this invitation.

We are reviewing our uniform to ensure it is fit for purpose, easily available and competitively priced. We also want to ensure we are consistent in managing the school uniform on a daily basis. School uniform ensures that our students dress appropriately both in and out of school, are visible within the local community, and it reminds students of our expectations.

The Governing Body has agreed that uniform should be reviewed in line with the future developments of our Pastoral system. Students have discussed the options and responded to a questionnaire. Staff views are being sought and we would like to invite parents to contribute to this review of uniform.

You are warmly invited to contribute to this consultation by completing the questions that accompany this letter and returning it to burton.borough@taw.org.uk with the subject heading 'Uniform Review' or in an envelope handed in to Tutors marked "Uniform Review". A price guide is included in the questionnaire to help to inform your responses.

This parent consultation will last until Friday, January 8th and I look forward to receiving your views and would like to thank you for your support.

Yours truly,

Mary Osborne
Deputy Head.
