March 4th 2010

Dear Parent / Guardian

I am writing to inform you that your child has their first and most important piece of Geography Coursework starting in April 2010. It is the Course Study and worth 15% of the final mark. It is based on access to shopping facilities in Shrewsbury.

The fieldwork visit is due to take place on Tuesday 20th April and Wednesday 28th April. The final piece of coursework will need to be handed to your child's Geography teacher by Friday 28th May 2010.

To ensure that both you and your child understand exactly what is expected of them in order to prepare for the coursework, carry out the fieldwork and write up the coursework, a meeting will take place on Tuesday 30th March from 7.00 - 8.00pm in the Create Studio (to the right of reception). It is strongly recommended that both you and your child attend this meeting. Examples of good pieces of coursework will be available for inspection along with helpful hints and guidelines to assist your child.

Please complete the form below and return to your child's Geography teacher as soon as possible.

We look forward to seeing you on Tuesday 30th March and hope that you and your child will find it very beneficial.

Yours sincerely

Mr M. Fountain

Head of Geography

Pupil Name: Form:.....10.....
