15th September 2009

Dear Parent/Carer

All students at Burton Borough School are baseline tested as part of our induction process. Cognitive Ability Tests (CAT) will take place on Tuesday 22nd September and Wednesday 23rd September. These tests, combined with reading and spelling levels, inform staff about pupil potential and present abilities.

The 3 cognitive ability tests cover verbal, non-verbal and quantitative reasoning. No preparation or revision is needed due to the nature of the tests. Testing will take place during the school day and no special equipment is required.

Thank you for your co operation and if you have any queries please contact me at the school.

I. R. Malkin
