18th November 2009

Dear Parent/Guardian

As part of the next Extension and Enrichment day on Thursday 10th December the Science department will be taking Year 8 students to the Manchester Museum of Science and Industry. On the same day we will be take 50 students to visit the Catalyst museum for a scientific enterprise day. We will be selecting these students in the next couple of weeks and their teachers will inform students in Science lessons. The aim of both trips is to engage students with the applications and implications of science and students will be required to complete an assignment based on their visit.

Students will leave via coach at 8.50 am from school and will return for the end of the school day. Sensible shoes and clothing as well as a packed lunch will be advisable.

To cover the costs of the coach, resources and activities organised by both centres, we are requesting parents to make a voluntary contribution of £10. Under the requirements of the Education Reform Act 1988 we can only raise the cost of the visit by voluntary contributions. There is no obligation to contribute and children will not be treated differently according to whether or not any contribution has been made. However, the visit can only go ahead if the level of support is sufficient. I must remind you that we cannot take any pupil out of school without consent. Could I therefore ask you to complete and return, the enclosed form to their Science Teacher by Monday the 30th November.

If there are any queries please feel free to contact me on the school telephone or email stephen.hall@taw.org.uk. We hope they will enjoy their day.

Yours sincerely

S. Hall (Mr)
Head of Science Faculty

Please return this reply slip and money in an envelope with your name and form on the front, to your science teacher by Monday the 30th November

Name of Student: Form:

I give permission for my son/daughter to take part in the trip to on Thursday 10th December 2009.
