Dear Parent/Carer,

As a lead up to the Year 9 "Energy" topic the Geography Department are running a trip to the Ironbridge Power Station on Tuesday 6<sup>th</sup> October 2009.

We will be running the trip in two sections, one part will be a tour of the power station and education centre and the other part of the day will be spent in school doing a related task. Pupils will need to **bring a packed lunch** as we will be eating in school due to strict timings.

**Full school uniform is to be worn throughout the day.** Whilst at the power station it should be noted that due to health and safety regulations pupils must wear **suitable footwear** (no sandals/open toed or healed shoes). They are also advised that because of some of the tour takes place outside, suitable warm/waterproof clothing should be brought.

Entry to the power station is free but to cover the cost of transport to and from Ironbridge a charge of £2.50 is necessary. Under the requirements of the Education Reform Act 1988 we can only raise the costs of the visit by voluntary contributions. There is no obligation to contribute and children will not be treated differently according to whether or not they any contribution has been made. However, the visit can only go ahead if the level of support is sufficient.

Please complete all relevant details and return forms and money to your son/daughter's Geography teacher by **Friday 25<sup>th</sup> September 2009.**

Yours faithfully

*M. Fountain*

Matthew Fountain  
Head of Geography

THE BURTON BOROUGH SCHOOL  
SCHOOLS VISIT - PARENTAL CONSENT

---

Visit to: Ironbridge Power Station

Date: Tuesday 6<sup>th</sup> October 2009
